No Evil Foods  
Next Level Burger  
cocojune  
Miyokos Creamery  
ZENB  
& many more!

Expected Growth

1 in 10

College students follow a  
plant based diet.

This year, we are hosting on a centrally-located college campus, and allowing students to attend at a discounted rate. We believe this will significantly increase the attendance for 2024, as college students have been shown to be more likely to follow a plant based diet.

## INTERESTED IN BECOMING ONE OF OUR MAIN SPONSORS THIS YEAR?

Bringing this festival back to Denver has been a huge boost to our small business community. Your partnership helps make this event possible!

Packages start at just

\$100

Become our main event sponsor

\$5,000
